has been spent in the Rockies He reads and writes English and is an adept in the Paulin sign language. having mastered the dislect spoken by the several tribes that live in near-by forests. Besides being gifted in carving figures out of wood, he is a born artist in class work and a stetch artist of landscape scenery. He can take a handful of clay and mold a per-

portunity for studying the character istics of the animals, for all of his life

NEW GERMAN MONUMENT.

Status Honors Men Who Fought In Battle of Nations.

Honoring the momory of the men who lost their lives in the Battle of the Nations, one of the most famous fights in the history of the world, a new mon ument has been erected in Leipzig, Germany, and will be unveiled on Oct. 13. This fight was between the Russians against the French and resulted in victory for the combined nations. The monument, which is soon to be unveiled in Germany, is one of the largest statues in the entire world. From base to dome the stone structure is 200 feet high.

To erect this gigantic structure it re-maired thereon years. During a great niture at suiters, 130 West Pike Stor part of this time a large force of Advertisement average
